6 TRANSFER STUDENT VIEWBOOK | 2027 - 2028

THE MOST NORTHERN MAJOR CITY IN THE COUNTRY
and the capital of Alberta. We are known as Canada's
Festival City, with 50 unique festivals annually.

A large crowd of people is gathered in a park, looking towards a city skyline at sunset. The crowd is seen from behind, filling the foreground and middle ground. The city skyline, featuring various skyscrapers, is visible in the background under a warm, orange-hued sky. The park area is lush with green trees and grass.

An eclectic line-up of bands from around the globe headline a jam-packed four days of folk music, great food and a stellar setting on the grassy slope down Gallagher Hill.

An extravaganza of arts, culture, recreation, sport and winter joy complete with a snow sculpture garden, storytelling and skating in the heart of Hawrelak Park.

A man and a woman are walking together on a paved path that winds through a lush, green park. The woman is wearing a dark vest over a light-colored shirt and dark pants, and the man is wearing a light blue t-shirt and dark pants. They are both smiling and looking towards the camera. The path is surrounded by dense green foliage and trees. In the background, a city skyline is visible, featuring several tall buildings, including a prominent skyscraper. The sky is a warm, golden color, suggesting the sun is setting or rising.

bigger than Central Park).

On Your Way to the U of A

For answers to frequently asked questions and videos to guide you through the application process, visit uab.ca/apply

! HOW TO APPLY

1 CHOOSE YOUR CAMPUS

►► uab.ca/campus

- Augustana Campus in Camrose, Alberta
- Campus Saint-Jean in Edmonton, Alberta
- North Campus in Edmonton, Alberta

2 CHOOSE YOUR PROGRAM

►► uab.ca/programs

We recommend selecting two program choices in order of priority on your application for the best chance of receiving an admission offer.

3 SUBMIT YOUR APPLICATION EARLY

►► uab.ca/apply

- You can apply as early as **October 1, 2026**.
- If you are an Indigenous student, remember to self-declare on the application.

After you apply for admission, you will receive a unique student number and a Campus Computing ID (CCID) which can be used to apply for residence, scholarships and awards

Apply for Scholarships

- Submit one application to be considered for most scholarships and awards.
- Applications open **February 1, 2027** and close **March 31, 2027**
- Canadian students: uab.ca/awards
- International students studying in Canada: uab.ca/mlawards

Apply for Residence

►► uab.ca/residence

- **April 30, 2027** is the deadline to guarantee a spot in upper-year student housing.

! AFTER YOU APPLY

4 UNDERSTAND EVALUATION

- Transfer students are any students who have attended an accredited post-secondary institution.
- Students with **less than 24 units** of transferable post-secondary coursework will be evaluated on high school admission requirements and performance in high school. Post-secondary coursework may also be considered. Learn more at uab.ca/calendar
- Students with **24 units or more** of transferable post-secondary coursework will be evaluated on high school admission requirements and performance in post-secondary coursework. Refer to **Admission Requirements on pages 28-33**.
- Competitive Grade Point Averages (GPAs) are typically calculated using the most recent 24 units of coursework available.
- Some programs may require specific Grade 12 prerequisites, which can potentially be substituted by post-secondary courses.

Note: Some programs may have additional requirements for admission such as Spoken English Proficiency. Refer to requirements on pages 28-33.

Note: 24 units is typically equivalent to 8 half year courses and will refer units transferable to the University of Alberta, not the number of units from the issuing institution.

5 CHECK YOUR STATUS

►► uab.ca/launchpad

- After applying, you will have access to Launchpad. Here you can check your application status, submit outstanding documents, update new final marks and review any checklist items for your program.
- We will also assign you a U of A email address to check for notifications or correspondence.

►► Learn more at uab.ca/aftapp

6 ACCEPT YOUR OFFER

►► uab.ca/accept

- Once you receive an admission offer, you must accept it and pay the tuition deposit by the deadline stated in Launchpad.
- Scholarship offers will be sent to your U of A email. Accept your scholarship offer by following the instructions in your email. uab.ca/awards
- Residence offers will be sent to your U of A email. Accept your residence offer by following the instructions in your room offer email.

! AFTER YOU ACCEPT

7 CONSIDER ACCESSIBILITY AND ACCOMMODATIONS

►► uab.ca/acc

- If needed, apply for accommodation support available to eligible students who encounter medical and/or non-medical restrictions to their ability to perform the daily activities necessary to pursue studies at a post-secondary level.
- Students can apply for accommodations as soon as they accept their offer of admission.
- It is recommended that students apply for accommodations by **May 2027**.

8 REGISTER FOR COURSES

- Course registration opens in **Spring**.
- Once available, access your Transfer Credit Report in BearTracks.

Transfer Credit Search Tool

►► uab.ca/transfer

- To get a transfer credit estimate, access the Transfer Credit Search Tool.

Explore Registration Resources

- Review the Transfer Student Tip Sheet.
- Our advisors will help you navigate My Schedule Builder and advise you on which courses to take. uab.ca/reg101

Build a Draft Schedule

- After accepting your offer, you will receive access to build your timetable in the Spring.
- Go to My Schedule Builder to browse course options and build a draft schedule.

Take Note

ENGLISH LANGUAGE PROFICIENCY

You must possess the required level of English Language Proficiency (ELP) in order to be granted admission.* There are several ways to do so. uab.ca/languagereqs

* Excludes programs that require French Language Proficiency (FLP).

STUDY PERMIT

Once admitted to the U of A, make any necessary changes to your study permit through the IRCC. uab.ca/studypermit-canada

TRANSCRIPTS

All your post-secondary transcripts and applicable high school transcripts must be received by the university by **June 15, 2027**. uab.ca/appdocs

TRANSFERRING WITHIN ALBERTA

If you are transferring from another post-secondary institution in Alberta, you can use the Transfer Alberta website to view which of the courses you have taken (or are planning to take) are transferable to the University of Alberta. transferalberta.alberta.ca

If you attended high school and/or post-secondary in Alberta, those transcripts will be received automatically through ApplyAlberta, as long as you have provided authorization on your application for admission and there are no holds on the account at your previous institution that would prevent us from receiving your transcript.

PROGRAM REQUIREMENTS

The following admission requirements refer to Transfer Students who present 24 units or more of transferable post-secondary coursework.

Students with fewer than 24 units* of transferable post-secondary coursework will be evaluated on either high school admission requirements and performance in high school coursework or on high school admission requirements and performance in both high school and post-secondary coursework. Learn more at uab.ca/calendar

** 24 units is typically equivalent to eight half-year courses and will refer to the number of units transferable to the University of Alberta, not the number of units from the issuing institution.*

Presenting the minimum requirements does not guarantee admission. Admission is competitive and varies by Faculty and Program. Check historical competitive Admission Grade Point Averages at uab.ca/averages
