NAME OF MOOT COMPETITION: _____

If a student earns a place on a moot team, the student must register, using the on-line registration system, in LAW 598, for the Winter Term prior to the course registration deadline in January. Credit will be given only in Winter Term when the moots are complete (unless permission has been granted for the Fall Term).

The team shall submit this form to the coach(es) of their moot competition and discuss the nature of the written and oral submissions required for evaluation, the deadline date(s) for submission of this material, and the consequences for failure to adhere to the criteria or deadlines. The course grade assigned by the moot coach(es) shall be based upon 50% for the written work and 50% for advocacy skills development, unless otherwise agreed with the coach(es).

All team members acknowledge that they are aware all Faculty and University rules apply to the student's evaluation and further acknowledge the application of the University's Student Academic Integrity Policy.
