

2025 Support Staff Research Enhancement Award

NASA is pleased to circulate this Call for Nominations on behalf of the University of Alberta.

The University of Alberta Support Staff Research Enhancement Award is a joint initiative of NASA and the Vice-President (Research and Innovation) Office to recognize support staff who consistently make a positive contribution to the research success of their Faculty/Department/Unit and the University by providing outstanding service; fostering innovation; creating a positive influence in the workplace; and demonstrating leadership. The award is open to all active (currently employed) support staff (not AASUA or PDF), whether operating or trust funded. Individuals may receive this award only once.

The award will consist of up to two prizes, valued at \$1,000 each. One application per candidate will be accepted. If there is more than one nominator from the Department/Faculty, please work together to complete the nomination form.

Please submit the [Nomination Form](#) to Leslie Parsad (parsad@ualberta.ca) by **4:30 pm, Friday, October 3, 2025.**

Contact Leslie Parsad (parsad@ualberta.ca) in the Office of the Vice-President (Research and Innovation) with any questions.
