

KNOWLEDGE MOBILIZATION GRANTS

Application – Working Copy

The Killam Research Fund supports research that aligns with the University's and the Killam Trusts' priorities to promote and achieve **Research Excellence** by increasing external funding, attract and retain **Research Talent** by funding research at all career stages, and advance **Institutional Research Goals** (i.e., [Forward with Purpose](#)) by building capacity for the large-scale, interdisciplinary research required to compete in the university's areas of global excellence and growth in the fields of Humanities, Fine Arts, Social Sciences, Education, or Law.

All applicants are advised to carefully read the [Terms of Reference](#) prior to completing an application. Failure to review the Terms is likely to result in the failure of an application.

This document is to be used in conjunction with the electronic [Application Form](#). In order for the submission to be eligible, candidates must complete and submit the electronic Application Form by the posted deadlines. Failure to submit the electronic application will result in a failure of the application.
